

Specifications

* Dryrun cutoff

* Low voltage cutoff

* Auto cutoff timer

* Auto/manual operation

* Real time level indication

* Userfriendly interface

* User specific pump cutin level

* Alarm monitoring menu

* RF sensor unit

* Untrasonic sensor level detection

* Inbuilt battery with auto charger

INPUT

~230V

Tested OK

OUTPUT

~230V / 1 HP

2 Pole relay inside

Connect Earth

Tested OK

Clean sensor face / remove obstacles

Initial level setting control switch, reset, power switch are inside enclosure

Clean solar pannel regularly

GYM Electronics

Tested OK
